

CLARK DEAM HORSE TRAIL FUND RAISER

Pitch-in Dinner and Silent Auction

Saturday November 4th, 2017

Deam Lake SRA Horse Campground, in Borden, Indiana

Our goal is to raise money for Clark State Forest horse trails. All proceeds will go to the Clark/Deam Horse Trail fund held by DNR the Foundation. Donations will be used for horse trail maintenance. We had a very successful 2015 Fund Raiser with \$750.00 in donations and in 2016 we raised \$2,402.00. We would like to continue and make this a tradition. In September 2016 Friends of Clark-Deam Horse Trails started trail repair on Phase I of 3 in Dry Fork and was finished on November 3rd. In June 2017 we started Dry Fork Phase II and finished the project in July 31, 2017.

All horse riders and clubs are invited. We encourage everyone to bring your horse, ride, eat dinner and camp.
