The purpose of the Indiana Trail Riders Association is to promote trail riding and equine activities in Indiana and the surrounding area. The ITRA is involved on the local, state and national levels striving to promote and improve trails and campgrounds.

We work actively on the legislative and administrative levels as well as sponsoring and organizing workdays on several recreational properties in the hope that the natural beauty we have enjoyed on horseback will be available for future generations as well.

The EDGe (Email Discussion Group) is a FREE communication tool for ITRA members with an Internet connection. Send a blank email to: IndianaTrailRiders-subscribe@egroups.com
